

Hercules Education Foundation

Health & Wellness Fair

5k Run for a Healthy Future

Sunday, October 1, 2017

The Hercules Education Foundation and the Bay Front Chamber of Commerce are champions of our students and schools in our local community. Your support of this event is an investment in our student's future. Our Health and Wellness event combines a fun race with health and wellness awareness of our community and at the same time raises tax deductible resources for our educational community.

Proceeds of this event will provide improvements in innovative technology and programming for our students as well as supplies and equipment at our local schools. We must invest in our students to be competitive and successful.

Our commitment demonstrates a strong partnership between our parents and businesses in our community.

Please join us by being a sponsor in one of the following categories.

We all have a stake in our success.
